

Notes for submitting chemSHERPA

•chemSHERPA tool is revised at any time changing in the regulations system etc.
Please always download and use the latest version.

<https://chemsherpa.net/english/tool/>

•When submitting chemSHERPA, please describe the following contents in the column of 「Remarks」 and 「Revision history」.

- ① 「Remarks」:「Our part number」
- ② 「Revision history」:「Supplier code and delivery factory」
- 「Our part number」 and 「Supplier code and delivery factory」 are described as follows.
- ③ 「Green procurement survey request」(this file)⇒「Part list」

•Please attach comparison table.

We recommend the use of “Number comparison table” sheet of this file for the contrast table of parts number.

The example filling in the chemSHERPA

chemSHERPA tool

The screenshot shows the chemSHERPA tool interface. At the top, there are menu options: File, Company, Language, Tool. The main area is titled "General" and "Article Tool". It contains several input fields for "Issuer/Authorizer" and "Requester", including Reference number, Preparation Date, Authorization Date, Item, Company name, Name of contact, Comment, Authorizer name, Area, and checkboxes for IEC62474, SCIP info, Composition, and Compliance. Below this is a "Product/Component" section with checkboxes for Product and Administrative, and buttons for Citing, Delete, and Add. The main data table has columns: All, CPS, CPL, Product name, Product number, Remarks, Overall content flag, Valid From, Revision date, and Revision history. The first row is highlighted in orange, with the "Remarks" cell containing "1S5999 9" and the "Revision history" cell containing "88889SHK". Blue arrows point from these cells to the corresponding cells in the table below.

「Green procurement survey request」(Part list sheet)

Number	Our part number	Part name	Supplier code and delivery factory	Supplier name	Supplier part number	Remarks
1	1S5999 9	DIODE	88889SHK		AKB998877	

③ work sheet
