When included in this presentation, the words “will”, “should”, “expects”, “intends”, “anticipates”, “estimates”, and similar expressions, among others, identify forward looking statements. Such statements are inherently subject to a variety of risks and uncertainties that could cause actual results to differ materially from those set forth in this presentation. These forward-looking statements are made only as of the date of this presentation. The Company expressly disclaims any obligations or undertaking to release any update or revision to any forward-looking statement contained herein to reflect any change in the Company’s expectations with regard thereto or any change in events, conditions or circumstances on which any statement is based. Actual results may vary widely from forecasts due to the following factors : 1) drastic changes in economic conditions and product supply and demand in major markets (Japan, Europe, The Americas, Asia etc.), 2) changes in trade regulations and other regulatory changes in major domestic and international markets, 3) Drastic changes in foreign exchange rates (yen-dollar, yen-euro etc.), 4) sharp moves in the capital markets, and 5) changes in social infrastructure caused by drastic changes in technology etc. Risks and uncertainties also include the impact of any future events with material unforeseen impacts.
