However, as announced in JVC Kenwood's press release dated January 4, 2010 — Notice on the Reexamination of Losses Posted in the Second Quarter, Establishment of Investigation Committee and Delay in JVC's Submission of Interim Report — JVC Kenwood has established an Investigation Committee that includes outside experts, and is in the process of reexamining losses that its consolidated subsidiary posted in the second quarter of the fiscal year ending March 2010. Accordingly, nothing has been decided at present yet regarding this matter.

If JVC Kenwood finds some issues that should be disclosed with respect to the result of investigation, it will immediately disclose them.
