

Notes for submitting chemSHERPA

chemSHERPA tool is revised at any time changing in the regulations system etc.
Please always download and use the latest version.

<https://chemsherpa.net/chemSHERPA/english/tool/>

When submitting chemSHERPA, please describe the following contents in the column of [Remarks] and [Revision history].

① [Remarks]: [Our part number]

② [Revision history]: [Supplier code and delivery factory]

[Our part number] and [Supplier code and delivery factory] are described as follows.

③ [Green procurement survey request] ⇒ [Part list]

Please attach comparison table.

We recommend the use of "Number comparison table" sheet of this file for the contrast table of parts number.

The example filling in the chemSHERPA

chemSHERPA tool

The screenshot shows the 'chemSHERPA tool' interface. The 'Product' table is visible with the following data:

All	Product name	Product number	Product series name	Reporting unit	Remarks	Overall content flag	Valid From	Revision date	Revision history
<input checked="" type="checkbox"/>	Diode	AKB-998877		g	1SS999 9		2099-10-31		88889SHK
<input type="checkbox"/>									
<input type="checkbox"/>									

Red dashed boxes highlight the 'Remarks' and 'Revision history' columns. Blue arrows point from these boxes to the 'Part list sheet' below.

[Green procurement survey request (Part list sheet)]

The 'Part list sheet' contains the following data:

Number	Our part number	Part name	Supplier code and delivery factory	Supplier name	Supplier part number	Remarks
1	1SS999 9	DIODE	88889SHK		AKB998877	

Red dashed boxes highlight the 'Our part number' and 'Supplier code and delivery factory' columns. A red dashed circle labeled '③ work sheet' is at the bottom left. The window title bar shows 'Part list | Notes for submitting JAMP AIS | Notes for submitting chemSHERPA | Number of |'.
